

**Policy Revisions included in the July 2016 Edition of the CCSP Policy Manuals**

<b>Revision Date</b>	<b>Section</b>	<b>Description of Revision</b>	<b>Revision Type</b>	<b>Citation</b>
7/1/2016	602 of the CCSP General Services Manual	The section on corrective action has been updated to reflect the transfer of administrative authority for CCSP from the Department of Human Services' Division of Aging to the Department of Community Health's Medicaid Division. As of July 2016, all corrective action at the state level will be initiated and monitored by the CCSP Unit in the Division of Medicaid at the Department of Community Health.	Update	Legislative Action
7/1/2016	Chapters 600 through 1900	Any reference to administrative authority for CCSP by the Division of Aging, also referenced as DAS, have been changed to "the CCSP Unit" to designate the transfer of administrative authority for CCSP to the newly created CCSP Unit in the Division of Medicaid at the Department of Community Health.	Update	Legislative Action
